

LIFEPATH SYSTEMS FREQUENTLY ASKED QUESTIONS

Request for Proposal (RFP) #02-2023
05/20/2022

1. What payor sources are involved?
 - Services are being sought for State funded individuals. While LifePath serves individuals with third party coverage, those individuals are able to choose their preferred and/or in-network laboratory provider.
2. What sort of volume is expected?
 - LifePath anticipates the number of tests under the contract to be approximately 5,000 per year, with a potential total across all payor sources of 12,000. Volume may change with the addition/expansion of programs offered at Lifepath Systems.
3. What types of tests are commonly ordered?
 - The tests in LifePath's Laboratory Formulary can be found in the RFP on page 16 (Exhibit A – Pricing).
